

## OUR MISSION

The business mission is “to satisfy the requirement of our valued clients by the provision of superior quality services through motivated employees, committed to the application of internationally accepted and world class standards, resulting in improved **benefit of them** and the wider community”

## PHILOSOPHY

Growing in a rapidly changing world with sophisticated markets poses many challenges. Consequently, **continuous state of self-evaluation is a must.**

### EXTERNALLY

We assess the needs and **requirement** of our valued clients. We evaluate the business strategy and directions of our clients and make recommendations.

### INTERNALLY

We innovate and keep abreast of current trends and standards to add value to the services we provide to our clients.

We look to the future with optimism that our collective efforts will continue to provide value for our clients, staff, associates, partners, communities and our nation.

## SERVICES OFFERED INCLUDE:

### ● ACCOUNTANCY

Preparation of the entire accounting process for all types and sizes of business from sole proprietors to companies listed on the stock **exchanges**. Financial statement preparation services are also provided.

### ● AUDITS FOR BOTH ASSURANCE AND FORENSIC SERVICES

Provision of audit of businesses such as sole proprietors, partnerships, unlisted companies, listed companies and funds of International Agencies. We are also experts in forensic auditing.

### ● TAXATION SERVICES

Preparation and filing of Income Tax Returns. GCT accounting services which include, preparation and filing GCT returns.

### ● COMPANY SECRETARIAL SERVICES

Preparation and filing of annual returns and payment of relevant taxes and fees. We also provide liquidation and receivership services.

### ● INTERNAL AUDITING

Internal auditing which is an independent objective assurance and consulting activity designed to add value and improve an organization's operation helps an organization accomplish its objectives by bringing a systematic, disciplined approach to evaluating and improving the effectiveness and efficiency by providing insight and recommendation based on analysis, assessment of data and business processes.

We provide this service on an outsource basis. That is we will be your internal audit department.

### ● IFRS CONSULTATION

Internal data processes should have embedded in the basic fundamental principles of relevant International Financial Reporting Standards as prescribed by the International Financial Standard Board. Our expert consultation backed by decades of experience will ensure that your systems, procedures and practices conform to IFRSs.
